

## **Chris Cherches Award for the Built Environment**

In appreciation and recognition of the efforts of our former City Manager, Chris Cherches to make Wichita a more beautiful city, we are seeking nominations for the Public project that most exemplifies his vision of creating a more urban and aesthetically pleasing environment that can be enjoyed by all citizens.

We invite you to nominate a project completed within the last 4 years within the city limits of the City of Wichita that you believe reflects the standards Mr. Cherches set for Wichita's built environment. These projects should embody his encouragement of innovative solutions and integrated design.

### **Chris Cherches Vision statement**
